QUOTE OF THE DAY

"Above all, watch with glittering eyes the whole world around you because the greatest secrets are always hidden in the most unlikely places. Those who don't believe in magic will never find it." – Roald Dahl

"One cannot and must not try to erase the past merely because it does not fit the present." – Golda Meir

"The fundamentalist seeks to bring down a great deal more than buildings. Such people are against, to offer just a brief list, freedom of speech, a multi-party political system, universal adult suffrage, accountable government, Jews, homosexuals, women's rights, pluralism, secularism, short skirts, dancing, beardlessness, evolution theory, sex. These are tyrants, not Muslims. ... The fundamentalist believes that we believe in nothing. In his worldview, he has his absolute certainties, while we are sunk in sybaritic indulgences. To prove him wrong, we must first know that he is wrong. We must agree on what matters: kissing in public places, bacon sandwiches, disagreement, cutting-edge fashion, literature, generosity, water, a more equitable distribution of the world's resources, movies, music, freedom of thought, beauty, love. These will be our weapons. Not by making war but by the unafraid way we choose to live shall we defeat them. How to defeat terrorism? Don't be terrorized. Don't let fear rule your life." – Salman Rushdie

"Truth would quickly cease to be stranger than fiction, once we got as used to it." – H. L. Mencken
